Glossary

Positions value

The total market value of your holdings, calculated as sum worth of all invested assets (such as individual stocks or ETFs) held in the account at the beginning or end of the reporting period.

Cash value

Cash value is the amount of cash in your stock trading account that has not been invested.

Commissions and Fees

Any fees including commissions and regulatory fees paid associated with buying and selling the stock. You can view your Cost & Charges report to see a breakdown of all the fees you've incurred, and to accurately calculate your taxable gains as required. Read more about our fees [here](#).

Transactions

A chronological list of all financial activity within a specific statement period. This section serves as the audit trail required to reconcile your starting balances with the ending cash values displayed in the Account Summary.
